

Dear Valued Sponsor:

The Hanover Barons continue to be a hockey team that is a proud member of the Hanover & Grey/Bruce community; our long history and furthered success is an attribute to the great community we have!

We are in the process of securing sponsorships for our upcoming 2024-25 season. We hope to make this one of the most memorable seasons in Hanover's History!

WOW, what an exciting time to be a member of the Hanover Barons sponsorship group, our proactive approach for you is because of the feedback we've heard! With continued success of last year's North Conference Championship, we reached more fans than we have in decades! This is an attribute not only of our organization, but our supporters as well. To keep your confidence in us as an organization. We would like to continue to work together to better the GREAT community of Hanover and Grey/Bruce counties.

The Hanover Barons rely greatly on your support and the ability to provide sponsorship. We're forever grateful for what you have provided in the past, and we look forward to continuing our partnership. Some minor changes from last year's package. Hopefully to better suit some needs of sponsors that would like to join, but also keep the best sponsors in the Pollock members of the Hanover Barons team! A couple changes within the organization, but the same faces are here to aid finding a sponsorship plan that suits your needs. We welcome the opportunity to correspond with you and encourage you to reach out to any member of the Hanover Barons executive!
